Mobile: +91 7207674897

SKILLS

• Languages:	Python, C, C++, Java, JavaScript, PHP, SQL
• Web Technologies:	HTML, CSS, Tailwind CSS, Flask, React.js, Node.js, Express.js, REST APIs
• Databases:	MongoDB, MySQL
• Tools/Platforms:	Git, GitHub, Postman, VS Code, Vercel, Render
• Soft Skills:	Problem Solving, Team Collaboration, Critical Thinking, Consistency

PROJECTS

CodeConnect – MERN Stack Coding Practice & Recruitment Platform GitHub Live	December 2025
• Developed a full-stack coding platform enabling real-time code execution, algorithmic thinking, and structured DSA practice for technical interview preparation	
• Implemented secure authentication, role-based dashboards (students and recruiters), leaderboards, and challenge modules to simulate real-world recruitment scenarios	
• Optimized backend logic, API response handling, and database queries, resulting in a 60% improvement in platform performance for live code execution and enhanced user experience	
• Technologies: MongoDB, Express.js, React.js, Node.js, JWT, REST APIs	
Smart Parking Management System GitHub	October 2025
• Architected a web-based parking system with slot booking, secure payment integration, and QR-based entry authentication	
• Built admin and user dashboards for managing bookings, transactions, and real-time parking availability	
• Refined slot allocation logic, improving system accuracy and reliability by 80%	
• Technologies: Python, Flask, HTML, CSS, JavaScript, SQLite, QR Code Generation	

TRAINING

Front-End Web Development – Summer Training (Gokboru Tech Pvt. Ltd.)	June 2025
• Completed a 6-week hands-on training covering React.js, HTML, CSS, JavaScript, responsive UI development, and modern workflows	
• Built a Task Manager application to add, edit, and organize tasks, enhancing productivity and user experience	
• Crafted a clean, responsive interface optimized for desktop and mobile devices	
• Utilized DOM manipulation for dynamic UI updates and input handling	
• Improved practical development skills through industry-focused assignments	

CERTIFICATIONS

• Prompt Engineering Infosys Certificate	August 2025
• Front-End Web Development Gokboru Tech Pvt. Ltd. Certificate	June 2025
• Cloud Computing NPTEL Certificate	January 2025 - April 2025
• Responsive Web Designing freeCodeCamp Certificate	November 2023

ACHIEVEMENTS

• Received a Research Incentive for a university-approved patent titled “ Vision Sync Connecting Steps and Senses for Visually Impaired, ” officially published in 2025
• Ranked in the Top 3 teams in an NLP Workshop for building an innovative Text-to-Speech system
• Secured a Top 10 position out of 50+ teams in HackWithVertos 1.0, a 24-hour hackathon organized by the student organization ECHO, recognized for innovative problem-solving
• Solved 450+ DSA problems across platforms like LeetCode, GeeksforGeeks, and HackerRank, strengthening problem-solving and algorithmic efficiency

EDUCATION

• Lovely Professional University Bachelor of Technology - Computer Science and Engineering; CGPA: 8.19	Punjab, India August 2023 - Present
• Aditya Junior College Intermediate, MPC; Percentage: 92	Narsapur, Andhra Pradesh April 2021 - March 2023
• Aditya School SSC (10 th Standard); Percentage: 90	Narsapur, Andhra Pradesh April 2020 - March 2021
