Email: ramuparasa02@gmail.com
Mobile: +91 7207674897

SKILLS

- Languages:** Java, Python, C++, C, PHP, SQL
- Web Technologies:** HTML5, CSS3, TypeScript, JavaScript, React.js, Node.js, Express.js, REST APIs
- Databases:** MongoDB, MySQL
- Core Computer Science:** Data Structures & Algorithms, Object-Oriented Programming (OOP), Operating Systems, Computer Networks, Database Management Systems (DBMS)
- Tools & Platforms:** Git, GitHub, Postman, VS Code, Vercel, Render
- Soft Skills:** Problem Solving, Team Collaboration, Critical Thinking, Effective Communication

PROJECTS

Kokborok AI Dictionary & Translator (NLP & LLM-Based Language Tool) | [GitHub](#) | [Live](#) February 2026

- Developed an AI-powered dictionary for Kokborok language using NLP and LLM APIs for translation and definition generation
- Engineered a scalable system enabling real-time multilingual query processing with prompt engineering and API integration
- Streamlined LLM response pipeline, improving query accuracy and reducing response time by 40%
- Technologies:** Python, NLP, LLM APIs, React, TypeScript, HTML5, CSS3

CodeConnect – MERN Stack Coding Practice & Recruitment Platform | [GitHub](#) | [Live](#) December 2025

- Built a scalable full-stack platform using the MERN stack with real-time code execution, structured DSA learning paths, and company-focused recruitment workflows
- Integrated JWT-based secure authentication and RBAC, enabling distinct access controls for developers and recruiters across all platform features
- Designed scalable RESTful APIs handling CRUD operations, code execution, and leaderboard management, architected to support concurrent multi-user sessions without performance degradation
- Technologies:** MongoDB, Express.js, React.js, Node.js, JWT, REST APIs

TRAINING

Front-End Web Development – Summer Training (Gokboru Tech Pvt. Ltd.) | [Certificate](#) June 2025

- Completed intensive training in React.js, JavaScript, responsive web development, and modern frontend engineering practices
- Crafted a responsive Task Manager application featuring CRUD operations, dynamic task handling, and optimized user interactions
- Gained practical UI development and component-based design skills through industry-focused assignments and real-world implementation
- Applied responsive design and frontend optimization for better cross-device usability

CERTIFICATIONS

- Dynamic Programming Camp Certification | AlgoUniversity | [Certificate](#) May 2026
- Oracle AI Foundations Associate | Oracle University | [Certificate](#) September 2025
- Cloud Computing | NPTEL | [Certificate](#) January 2025 - April 2025
- Responsive Web Designing | freeCodeCamp | [Certificate](#) November 2023

ACHIEVEMENTS

- Received a research incentive for the patent titled “**Vision Sync Connecting Steps and Senses for Visually Impaired,**” officially published in 2025
- Ranked among the **Top 3** teams in an NLP Workshop for developing an innovative Text-to-Speech system
- Secured a **Top 10** position among 50+ teams in HackWithVertos 1.0, a 24-hour hackathon recognized for innovative problem-solving
- Solved **600+** Data Structures & Algorithms problems across LeetCode, GeeksforGeeks, and HackerRank, achieving a **LeetCode rating of 1568** and strengthening problem-solving and algorithmic efficiency

EDUCATION

- Lovely Professional University** Punjab, India
Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.43** August 2023 - Present
- Aditya Junior College** Narsapur, Andhra Pradesh
Intermediate, MPC; **Percentage: 92** August 2021 – May 2023
- Aditya School** Narsapur, Andhra Pradesh
SSC (10th Standard); **Percentage: 90** August 2020 - June 2021
